6. How can I apply to AIF?

Application process is completely online. Go to the AIF portal. Register with mobile phone number and aadhar number to receive an OTP to generate your login credentials. Thereafter, you can apply for loan by filling an application form available on the portal and uploading a copy of Detailed Project Report (DPR). This application will be verified by Central PMU at Ministry and will then be automatically received by the lending institution opted by you on the portal. The lending institute will appraise the project and decide whether to sanction the loan or reject the application based on viability of project. After the disbursal of loan, interest subvention and credit guarantee fee will be released by GOI to the lending institution based on the claim submitted by them. (A detailed video demonstrating the entire application process is available on portal in English and Hindi)

7. What is a DPR and how can I make one?

DPR is Detailed Project Report. It contains necessary information about the promoter and the project. You can either make a DPR yourself based on model DPRs given on AIF portal or you can avail the services of a Chartered Accountant/ Financial Expert who will prepare

one for you. You can use any format for your DPR, provided it has all the necessary information required-

- Applicant's details
- Constitution of applicant e.g individual/ firm/ company/ FPO/ SHG/ cooperative society etc.
- Details of activity proposed with process flow chart, raw material, end product
